# Sun StorEdge™ MultiPack Product Note

*9GB and 18GB 10K RPM Hard Drive*

## Electro Magnetic Interference Notification

If you use the following hard disk drives, certain Sun StorEdge MultiPack units become FCC Class A digital devices:

- 390-0005-xx — 9GB 10k
- 390-0006-xx — 18 GB 10k

You can identify the affected MultiPack unit by looking at the serial number on the label on the back of your MultiPack unit next to the fan.

Units affected have a number before SN: 918xxxxx. For example, a unit with the number SN: 919xxxxx would still be Class B, while SN: 912xxxxx becomes a Class A product.
